Cheryl M. Giese, City Clerk-Finance Director

The City of Baraboo, Wisconsin**Background:**

Fiscal Note: (check one) [] Not Required [] Budgeted Expenditure [] Not Budgeted
Comments:

Resolved, by the Common Council of the City of Baraboo, Sauk County, Wisconsin:

WHEREAS, the proposed 2018 Budget Document appropriates out of the receipts of the City of Baraboo for the year 2018, including monies received from the general property tax levy, to the various Funds shown below, the following amounts:

General Fund (Fund 100):	\$12,219,469
Debt Service Fund (Fund 300):	<u>\$ 3,145,384</u>
Total of Funds with Levy	<u>\$15,364,853</u>
Capital Funds (Funds 430 & 432)	<u>\$ 4,200,651</u>
Total of Funds without Levy	<u>\$ 4,200,651</u>
Total Budget	<u>\$19,565,504</u>

BE IT FURTHER RESOLVED that the Common Council of the City of Baraboo hereby approves and accepts the 2018 Budget in the amount of \$19,565,504 dollars, and;

BE IT FURTHER RESOLVED that there is hereby levied a tax of \$8,593,828 on all taxable property within the City of Baraboo as returned by the assessor in the 2017 assessment roll for the uses and purposes set forth in the 2018 budget. A detail of the levy by fund follows:

General Fund	\$ 7,088,135
Debt Service Fund	<u>1,505,693</u>
Total	<u>\$ 8,593,828</u>

BE IT FURTHER RESOLVED that the City Clerk is hereby authorized to apply the aforementioned tax on the current tax roll of the City of Baraboo and the City Treasurer is hereby authorized to collect the same at the proper time, as set by law.

Offered by: Finance/Personnel

Approved by Mayor: _____

Motion: Petty

Second: Sloan

Certified by City Clerk: _____

GLOSSARY

2018 BUDGET

The terms used in this glossary represent the most common terms used in public budgeting and finance.

In order to help understand terminology, a quick breakdown of our account numbers follows:

100 –	10 .	51000 –	00000 .	000
Fund	Department	Function (Activity)	Object	Project

Accrual Basis	The method of accounting under which revenues are recorded when they are earned (whether or not cash is received at the time) and expenditures are recorded when goods and services are received.
Adjusted Budget	The current budget adopted by the government body including any modifications authorized throughout the year.
Ad Valorem Taxes	A tax levied on the assessed value of real property.
Agency Fund	A fund used to account for assets held by a government as an agent for individuals, private organizations, other governments or other funds.
Appropriation	An authorization made by the governing body which permits officials to incur obligations and expend government resources within a fiscal year. Appropriations are made for specific amounts.
Assessed Valuation	The estimated value placed upon real and personal property as the basis for levying property taxes.

Base Budget	Ongoing expense for personnel, contractual services, and the replacement of supplies and equipment required to maintain service levels previously authorized by the governing body.
Bond (Debt Instrument)	A written promise to pay (debt) a specified sum of money (called principal or face value) at a specified future date (called the maturity date) along with periodic interest paid at a specified percentage of the principal (interest rate). Bonds are typically used for long-term debt to pay for specific capital expenditures and repayment schedules exceed 10 years.
Bond Anticipation Notes (BANS)	Short-term interest bearing notes issued in anticipation of bonds to be issued at a later date. The notes are retired from proceeds of the bond issue to which they are related.
Budget Calendar	The schedule of key dates or milestones which an agency follows in the preparation and adoption of the budget.
CAFR	Comprehensive Annual Financial Report
Capital Assets	Assets of significant value and having a useful life of several years. Capital assets are also called fixed assets.
Capital Budget	A plan of proposed capital expenditures and the means of financing them. The capital budget may be enacted as part of the complete annual budget including both operating and capital outlays. The capital budget is based on the Capital Improvement Plan (CIP).
Capital Improvement Plan (CIP)	A financial plan of proposed capital improvement projects and the means of financing them, minimally prepared for a five year period.

GLOSSARY

2018 BUDGET

Capital Outlay	An operating budget category which accounts for furniture and equipment with an estimated useful life of more than one year.
Capital Projects	Projects which purchase or construct capital assets. Typically, a capital project encompasses a purchase of land or construction of a building or facility, with a life expectancy or more than one year.
Cash Basis	The method of accounting under which revenues are recorded when received in cash and expenditures are recorded when paid.
CDBG	Community Development Block Grants
Certificate of Deposit	A negotiable or non-negotiable receipt for monies deposited in a bank or other financial institution for a specified period for a specified rate of interest.
Contingency	A budgetary reserve set aside for emergencies or unforeseen expenditures not otherwise budgeted for.
Debt	An obligation resulting from the borrowing of money or from the purchase of goods and services. Debts of government include bonds, time warrants and notes.
Debt Service	Payment of interest and repayment of principle to holders of the government's debt instruments.
Debt Service Fund	A fund established to account for the accumulation of resources for, and the payment of, general long-term debt principal and interest.
Deficit	(1) The excess of an entity's liabilities over its assets (See Fund Balances). (2) The excess of expenditures or expenses over revenues during a single accounting period.

Department	A segregation of city departments such as police, fire, clerk, public works, etc.
Depreciation	(1) Expiration in the service life of capital assets attributable to wear and tear, deterioration, action or the physical elements, inadequacy or obsolescence. (2) That portion of the cost of a capital asset which is charged as an expense during a particular period.
Double Budgeting	The result of having funds or departments within a government purchase services from one another rather than from outside vendors. When internal purchasing occurs, both funds must budget the expenditure (one to buy the service and the other to add the resources to its budget so they have something to sell). This type of transaction results in inflated budget values because the same expenditure dollar is budgeted twice: once in each fund's budget. The revenue side of both funds is similarly inflated.
Encumbrances	Obligations in the form of purchase orders, contracts or salary commitments which are chargeable to an appropriation is reserved. They cease to be encumbrances when paid or when actually liability is set up.
Ending Fund Balance	The cash balance remaining at the end of the fiscal year available for appropriation in future years.
Enterprise Fund	A type of fund established to account for the total costs of those government facilities and services that are operated in a manner similar to private enterprise. These programs are entirely, or predominately, self-supporting.

GLOSSARY

2018 BUDGET

Equipment Rental	The Equipment Rental Fund operates as a self sufficient motor and equipment pool. Customer departments pay for the equipment used through charges billed. These charges include a form of depreciation which is accumulated as a sinking fund for future asset replacement, a factor for maintenance of the equipment, and charges for fuel. The City currently has not established an equipment rental fund.
Fiscal Year	A twelve (12) month period designated as the operating year by an entity. Fiscal years vary across the nation.
Fixed Assets	Long-lived tangible assets obtained or controlled by the agency. Fixed assets include buildings, equipment, improvements other than buildings, and land.
Float	The amount of money represented by checks outstanding and in the process of collection.
Full Faith and Credit	A pledge of the general taxing power of a government to repay debt obligations (typically used in reference to bonds).
Function	Represents specific activities performed by various departments such as snow removal, tree trimming, elections, fire fighting, etc.
Fund	An independent fiscal and accounting entity used to record all financial transactions related to the specific purpose for which the fund was created. There are three major types of funds: General, Proprietary, and Trust and Agency.
FTE	Full-time equivalent employee.
Fund Balance	The excess of an entity's assets over its liabilities. A negative fund balance is sometimes called a deficit.

GLOSSARY

2018 BUDGET

GAAFR	“Governmental Accounting, Auditing and Financial Reporting.” The “blue book” published by the Government Finance Officers Association to provide guidance for the application of accounting principles for governments.
GAAP	Generally Accepted Accounting Principles are standards used for accounting and reporting used for both private industry and governments.
GASB	Government Accounting Standards Board, established in 1985, to regulate the rules and standards for all governmental units.
General Fund	The fund supported by taxes, fees and other revenues that may be used for any lawful purpose.
General Obligation Bonds	Bonds for which the full faith and credit of the insuring government are pledged for payment.
Impact Fees	A fee assessed on new development that creates additional demand and need for public facilities.
Infrastructure	The underlying foundation, especially the basic installations and facilities, on which the continuance and growth of a jurisdiction depends, i.e., streets, roads, sewer, and water systems.
Interfund Payments	Expenditures made to other funds for services rendered.
Interfund Transfers	Monies transferred from one fund to another in order to reimburse that fund for expenditures or to finance the operation of that fund.
Intergovernmental Revenue	Revenue received from other governments, such as grants, shared taxes and reimbursements for services.

Internal Control

A plan of organization for purchasing, accounting, and other financial activities which, among other things, provides that:

- The duties of employees are subdivided so that no single employee handles financial actions from beginning to end.
- Proper authorization from specific responsible officials is obtained before key steps in the processing of a transaction are completed.
- Records and procedures are arranged appropriately to facilitate effective control.

Internal Service Funds

A fund type that accounts for revenues received and expenses incurred for services or commodities provided by that fund to user departments such as insurance, motor pool and data processing.

Liability

Debt or other legal obligations arising out of transactions in the past which must be liquidated, renewed or refunded at some future date.

Mill

The property tax rate which is based on the valuation of property. A tax rate of one mill produces one dollar of taxes on each \$1,000 of property value.

Mitigation Fees

Contributions made by developers toward future improvements of government facilities resulting from the additional demand on the facilities generated from the development.

Modified Accrual Basis

The basis of accounting under which expenditures, other than accrued interest on general long-term debt, are recorded at the time liabilities are incurred and revenues are recorded when received in cash except for material and/or available revenues, which should be accrued to reflect properly the taxes levied and revenue earned.

Object

As used in expenditure classification, this term applies to the type of item purchased or the service obtained.

GLOSSARY

2018 BUDGET

Per Capita	Amount per individual. Used as a comparative measure.
Prior Year Encumbrances	Money set aside from last year's budget to pay for items or services ordered during that year but received in the subsequent fiscal year. The encumbrance is removed when the items or services are received and paid.
Program	An activity or group of similar activities organized as a sub-unit of a department for planning and performance measurement purposes.
Program Enhancement	Programs, activities or personnel requested to improve or add to the current baseline services.
Project	That part of the account number used to identify specific projects that occur over the course of several years which may also overlap several departments. Street projects and building construction projects are examples.
Reserve	An account used to earmark a portion of the balance as legally segregated for a specific use.
Resources	Total dollars available for appropriations including estimated revenues, fund transfers, and beginning fund balances.
Retained Earnings	An equity account reflecting the accumulated earnings of the agency.
Revenue Bonds	Bonds issued pledging future revenues, usually water, sewer or drainage charges, to cover debt payments in addition to operating costs.
Special Revenue Fund	A fund used to account for the proceeds of specific revenue sources that are legally restricted to specified purposes.

GLOSSARY

2018 BUDGET

Subventions	Revenue collected by the state (or other level of government) which is allocated to an agency on a formula basis.
Supplemental Appropriation	An appropriation approved by the governmental body after the initial budget is adopted.
TID	Tax Incremental District
TIF	Tax Incremental Finance District
Tax Anticipation Notes (TANS)	Notes issued in anticipation of taxes which are retired usually from taxes collected.
Tax Rate Limit	The maximum legal rate at which a government may levy a tax. The limit may apply to taxes raised for a particular purpose or for general purposes.
Trust Fund	Funds used to account for assets held by a government in a trustee capacity for individuals, private organizations, and/or other funds.
User Charges/Fees	The payment of a fee for direct receipt of a public service by the party benefiting from the service.
Warrant	An order drawn by a government officer(s) directing the treasurer of the municipality to pay a specified amount to the bearer.
Yield	The rate earned on an investment based on the price paid for the investment, the interest earned during the period held, and the selling price or redemption value of the investment.
YTD (Year to Date)	Total expenses incurred or revenue received since the beginning of the current fiscal year to a specific date.

OFFICE OF THE
CITY ADMINISTRATOR
The Narrative for the 2018 Budget

General Description of Office:

Mission Statement – The mission of the City Administrator as described in Section 1.10 of the Baraboo Municipal Code, is to coordinate the day-to-day operations and activities of the City. Included in the execution of the Administrator's responsibilities and duties is his charge to also cooperate with and assist, as necessary, any of the many commissions, boards, authorities, and committees of the City.

Personnel - The personnel in this department consist of the City Administrator and one executive secretary whose time is also shared with the Mayor, City Attorney, Public Works Director/City Engineer and City Clerk.

Services Provided, People Served – The City Administrator provides services to elected officials, boards, and commissions, residents, and individuals doing business with the City, as well as employees of the city. The services provided are of great variety, including, but not limited to:

1. Providing day-to-day management of City operations. Carries out the directives and policies of the Mayor and Common Council. Supervises and assists department heads/staff in the management of departmental operations.
2. Providing primary assistance for various economic development projects including the Baraboo River Corridor Redevelopment program, coordination with Sauk County Economic Development and Baraboo Economic Development agencies.
3. This office serves as the City public relations and public information officer. This department also produces two city newsletters a year.
4. Providing research, analysis and background information to the City Council, Mayor, and other city agencies and individuals to assist in the decision making process. Providing leadership, direction, and facilitation on various community projects. This includes evaluating, recommending, and implementing changes to city programs, policies, and organization to more efficiently and effectively run City operations.
5. Responding to resident requests and concerns.

6. This office serves as the City's Human Resources Manager. The City Administrator and City Attorney are primary negotiators of contracts for the City, including labor agreements.
7. Provides management direction on financial matters and oversees the preparation of the annual budget and capital improvement plan. Providing financial analysis and recommendations to ensure fiscal soundness and responsible budgets.
8. Coordinates community development and planning activities in the city.
9. Represents the City to internal and external organizations, agencies, individuals, and businesses, responding to various requests, questions.
10. The Administrator serves on the Emergency Management team and serves as its Public Information Officer as well.

Vehicles and Major Equipment - The City Administrator predominantly utilizes his personal vehicle but may utilize other city vehicles as available.

Short and Long Term Capital Needs:

2016 - 2020 – Long term projects include:

1. Implementation of the Baraboo River Corridor Redevelopment program.
2. Complete construction of a new Public Safety/Administration building and organize the move into the new facility.
3. Assist with the implementation of the Grow Baraboo Plan and other planning projects.
4. Economic development and business recruitment.
5. Assist with the implementation of the Fire Dept. Operations Report, including building and space assessment for Ambulance operations to cohabitate in the old city hall.

Goals and Objectives: The Administrator's goals are to ensure that the City of Baraboo is the very best city possible in which to live and work by efficiently, effectively, and responsibly carrying out the Mayor and City Council's objectives. The Administrator's personal endeavor is to make our local government and the services it provides, of the highest quality at the lowest possible cost.

ADMINISTRATION DEPARTMENT

City Attorney

The Narrative for the 2018 Budget

General Department Description:

Mission Statement - The City Attorney's Office conducts all legal business in which the City is interested. The City Attorney acts as legal advisor to the Mayor, the Common Council, and the duly constituted City Committees, Commissions, and Boards and acts as legal advisor to City Officers, City Officials, and City staff on legal matters.

Personnel – Personnel in this department consists of the City Attorney and two part-time assistants, one who also shares time with the City Administrator and Mayor, and the other who shares time with the City Engineer, Building Inspector, Street Superintendent, and City Assessor. The City Attorney also utilizes personnel in other departments from time to time for assisting in special projects.

Services Provided, People Served – The City Attorney provides legal advice and services to the Mayor, Common Council, City Commissions, Committees, and Boards, and to all of the City Departments and associated entities. This includes providing the following services:

1. Draft and review contracts, ordinances, development agreements, and all other legal instruments required by the City to conduct its business.
2. Provide legal advice and represent the City in order to a) minimize risk and protect the City's interests; and b) allow the City to fully utilize its resources and fulfill its mission.
3. Attend Board, Commission, Committee, and Council meetings as the legal representative.
4. Examine the tax and assessment rolls and other tax proceedings, and advise the proper City officers in regard thereto.
5. Research legal issues which requires access to an adequate law library, pertinent training, and technology resources.
6. Prosecute all City traffic and ordinance violations, including trials

and appeals.

7. Draft and review resolutions and ordinances.
8. Advise the Zoning Board of Appeals and assist in the drafting decisions.
9. Update the City Ordinance Code.
10. Provide advice on labor relation and personnel related matters, including collective bargaining negotiations.
11. Defend any lawsuits that arise against the City that are not covered by insurance.
12. Provide legal advice on all claims filed against the City.
13. Keep current on law changes and provide guidance where needed to update City policies, manuals, and practices.

Projected Demands on City Attorney in 2018 – The work demands on the City Attorney position will continue to grow from previous years due to the increase in special matters and a desire by the Council to focus more attention on obtaining ordinance compliance. Special matters that will require work by the City Attorney in 2018 include:

- Lawsuit by Walmart alleging a claim of excessive tax assessment.
- Exploration of whether the City should have a Municipal Court.

Vehicles and Major Equipment – The City Attorney uses her personal automobile for travel. There is no major equipment used by the City Attorney.

Short and Long Term Capital Needs:

For 2018 – None expected.

For 2019 – None expected.

For 2020 – None expected.

Personnel Changes: No changes are anticipated.

Program and Service Changes: Since the City Attorney has changed from the last budget cycle, different preventive and legal areas may be emphasized, although the level of service is not expected to change. Changes include increased review of contracts, resolutions and

ordinances; focus on prevention of lawsuits or claims; an attempt to increase nuisance and zoning enforcement; and using technology to garner case statistics for prosecuted matters.

COMMUNITY DEVELOPMENT AUTHORITY

The Narrative for the 2018 Budget

General Department Description:

Mission Statement— To ensure affordable, attractive housing and to foster business and community development consistent with the general plan of the City.

CDA Board of Commissioners – The CDA was created in 1978 by combining the Housing Authority and the Baraboo Redevelopment Authority. By State Statute the Board is required to have 7 members, two of which must be Elected Officials. The Mayor appoints all members and the Council approves those nominations. HUD regulations require the opportunity for a citizen who is being aided by a HUD program, to be a member of the Commission Board, with all voting rights as other members. This position will be filled only when an interested person desires to be part of the Board. If and when no resident desires to be a member of the Board, the position may be filled by a non-resident of the facilities. The Board meets the first Tuesday of each month at 7:00 p.m. and alternates every other month at Donahue Terrace, located at 227 First Ave. and Corson Square, 920 10th St. and is open to the public.

Personnel - The CDA has been authorized to have three full time employees and contracts for Executive Director Services. The full time positions are: Compliance Officer. Housing Manager, and Maintenance Worker position.

Services Provided, People Served – The CDA provides housing for 111 disabled or low income households, loans money for economic development for existing business or start up businesses based upon job creation criteria, administers the Capital Catalyst Fund and loans money to low-moderate income households to rehabilitate their homes.

The CDA is required by HUD, the Wisconsin Department of Administration (DOA) and the Wisconsin Economic Development

Corporation (WEDC) to deliver their services to households that are income eligible. The income limits are set by HUD and are reviewed every year and revised, usually during January or February. The residents/applicants cannot exceed 80% of Sauk County median income to reside at Donahue Terrace Apartments and 50-80% of Sauk County median income for Corson Square Apartments, and 80% for the Housing Rehabilitation program.

Donahue Terrace is comprised of 61 one-bedroom apartments, located at 227 First Ave. these units are available to anyone who qualifies based upon their income.

Corson Square is comprised of 50 units in 6 buildings. The 40 unit structure located at 920 10th St. has 35 1-bedroom units and 5 2-bedroom units. These units are available to anyone based upon their income. The 5 duplexes are located on 9th, 10th and Washington Sts. Those buildings contain 6 3-bedroom units, 2 2-bedroom units and 2 4-bedroom units.

With the construction of the new City Municipal Building and Police Station, the CDA has served as the funding source for the project. Working with the United State Department of Agriculture – Rural Development, the CDA has secured the long term funding for the project. The CDA will own the facility and lease it back to the City for the term of the loan. This funding situation has allowed the City to obtain long term low interest financing for the project.

The CDA administers 3 loan programs on behalf of the City. They are:

1. Community Development Block Grant—Revolving Loan Fund (CDBG-RLF). Under this Economic Development program money is loaned at an interest rate of between 4 and 5%. The CDA currently has loans to 13 local businesses. Both industries and commercial businesses are among the borrowers.
2. Home rehabilitation Loan program. The Community Development Block Grant loan program offers interest free loans for housing rehabilitation to families who are income

eligible. These loans are not repaid until the residence is sold or the recipient no longer resides in the house. The CDA monitors housing rehabilitation loans for units occupied by both renters and owners. Applications are taken at anytime and money continues to be available for families interested in home rehabilitation or help with down payment on the purchase of a home.

3. Capital Catalyst Fund This fund was established through a grant from WEDC. The funds are to be used for limited types of start-up or early stage businesses.

The CDA office serves as one of the contacts the points for inquiries for parties wanted to expand or locate a business in Baraboo. Working with the City this office helps to structure new Development Agreements and economic incentive packages. Using funds from TIF 6 as a catalyst, they are available for business wishing to locate within a specific distance to the TIF.

The office also serves as the contact point for the Baraboo Economic Development Council (BEDC). This body is comprised of local residents and business owners who serve as think tank for new ideas and direction.

Vehicles and Major Equipment - The CDA does not own any motorized vehicles. CDA staff continues to use their personal vehicles to travel between the two complexes as well as for the many functions requiring transportation (daily banking, block grant inspections, etc.).

Short and Long Term Capital Needs:

The 10 Year Capital Improvement plan was again updated in 2012. A physical needs assessment was performed in Sept., 2012 by MSA Professional Services, Inc. and work items have been prioritized. In 2016, both Donahue Terrace and Corson Square will continue to paint and replace carpet in apartments as they are vacated. In 2018, approximately five kitchens in Corson Square will be replaced along with a program to replace the interior doors within each apartment. Donahue Terrace will continue to be updated based upon the 2012 MSA study In

2018, it is anticipated that elevators will be replaced at Donahue Terrace..

Personnel Changes

For 2018 the CDA anticipates no changes in either the personnel wage levels or position allocations. The CDA is also looking to create a succession plan for future growth. As part of the construction of the new City Municipal building, the CDA offices will be relocating to the new facility in 2018.

ENGINEERING DEPARTMENT

The Narrative for the 2018 Budget

General Department Description:

Mission Statement – The Engineering Department's mission is to provide technical support relative to the operation, maintenance, replacement, reconstruction, and expansion of the City's infrastructure and to protect the health and promote the welfare of all City residents

Personnel – The Department is presently supported by a shared workforce. Beginning in August 2010, the City Engineer position was restored to a full-time city employee. In addition, the Department has two full-time Engineering Technicians and an Administrative Assistant that share in the performance of Department's duties.

Services Provided, People Served – The Engineering Department serves all of the residents of the City by providing technical support to the Public Works, Parks, Utilities, and other City Departments. The Department is responsible for the Geographical Information System map production, maintenance of public records such as utility maps and public works improvement plans. The Engineering Department is also responsible for underground utility locates called in through the Diggers Hotline. In addition, the Department is responsible for coordinating and implementing the street reconstruction and sidewalk replacement programs. Review of proposed developments for conformance with City Ordinances is also the responsibility of the Engineering Department. Coordination and cooperation with outside agencies, such as the Department of Transportation and Department of Natural Resources, is also a function of the Department. The Engineering Department also acts as the administrator of the Storm Water Utility. Engineering personnel document and monitor the user-fee system for the utility and implement repair, replacement, and expansion of the storm sewer collection system and storm water management facilities, as necessary.

Short and Long-Term Capital Needs:

Short term (2018/2019):

- Keep GIS software up to date
- Launch internal GIS web application
- Mill & Overlay Broadway from 5th to 8th Avenue
- Mill Race Drive from Manchester to Potter Street
- Reconstruct Lake Street from Walnut to South Center Street
- Reconstruct Lake Street from Inverness to Springbrook
- Reconstruct Jefferson Street from 5th to 6th Street
- Reconstruct 3rd Avenue from West to Center Street
- Reconstruct Vine Street from Lynn to Baraboo River
- Reconstruct 4th Street from Washington to Jefferson Street
- Reconstruct 16th Street from Elizabeth to west end.
- Reconstruct Washington Avenue from 4th to 8th Street
- Pave the new Parking Lot at 227 5th Avenue
- Reconstruct the Parking Lot on the SE corner of 5th & Oak
- Reconstruct the upper Civic Center Parking Lot
- Continue annual Sidewalk Maintenance program

Long term:

- Five-Year Street Improvement Program
- Storm Water Utility System Compliance

Personnel Changes:

The level of support and services that the Engineering Department can provide is limited by the size of the staff. Large projects have been contracted to professional consulting firms and this will need to continue unless the staff size is increased dramatically. Normal day to day operations are carried out adequately by the present staff so no personnel changes are anticipated for 2018.

FIRE DEPARTMENT
www.cityofbaraboo.com/fire

2018 Budget

GENERAL DEPARTMENT DESCRIPTION

STAFF

Classification	Number	Details
Career	2	Fire Chief & Fire Inspector
Part time	¼ time	Admin Asst. shared with Police Department
Paid-on-Call	40	Firefighters
Volunteer	0	Cadet Firefighters

The fire department is responsible for protecting the lives and property of the citizens and visitors in the City of Baraboo, Village of West Baraboo, Towns of Baraboo, Fairfield, Greenfield and the portion of the Town of Sumpter in the Baraboo School District from fires and related hazards.

The department consists of two fulltime, one quarter part time, forty paid-on-call and two volunteer staff that is responsible for fire suppression of all types, responding to motor vehicle crashes, other rescue incidents and other calls for service, as well as offering a comprehensive fire prevention program to the community.

Using a modern fleet of apparatus, the Baraboo Fire Department responds to calls for service in a 107 square mile area as listed above.

The department operates from a single fire station located in the central business district of Baraboo, where community programs and training activities happen. Educational programs also take place in area schools, daycare centers and other locations.

Mission Statement Under Revision. Please check Fire Department Website by February 1, 2018

Vision Statement Under Revision. Please check Fire Department Website by February 1, 2018

Core Value Statements Under Revision. Please check Fire Department Website by February 1, 2018

Activity	2014	2015	2016	2017*
Incident Responses	340	358	333	350
Fire Inspections	1827	1,824	1,693	1,486
Public Education Contacts	2,880	3,166	2,774	2,967

*** As of November 30, 2017**

In line with our Mission, Vision and Core Value Statements the Department has distinct functions:

ADMINISTRATION

Description: The administrative function of the department includes oversight over the entire department, including, but not limited to the system of fire suppression and rescue response, fire prevention, budget, training, personnel, building and apparatus maintenance and acquisition and record keeping.

Services:

- ☐ Provide management for the entire department
- ☐ Adopt or modify department policies and guidelines
- ☐ Recommend modification to applicable Municipal Ordinances
- ☐ Provide personnel with continuing education/training
- ☐ Meet and confer with Mayor, City Administrator, other City Staff, City, Town and Village Officials, Police and Fire Commission, the media, general public and fire department members.
- ☐ Review future development projects in the City of Baraboo
- ☐ Review and preparation of necessary fire and other related reports

FIRE SUPPRESSION/RESCUE/INCIDENT RESPONSE

Description: Fire suppression, rescue and other incident response is provided by professional personnel utilizing modern fire and rescue response apparatus to ensure and preserve life, safety and property of the residents served. The responsibilities of suppressing fires, rescuing people and responding to other calls for service are the direct purpose of this function.

Services:

- ☐ Provide timely response to all calls for emergency and non emergency requests 24 hours per day
- ☐ Provide firefighter safety through implementation of NIMS compliant Incident Command System
- ☐ Minimize fire property loss through timely response to all fires
- ☐ Provide rescue services in a timely manner through rapid response
- ☐ Provide current, progressive fire and rescue tactics
- ☐ Provide personnel with continuing education/training, twice monthly for at least two hours
- ☐ Meet and Train with Fire Department Officers once monthly for at least one and one half hours
- ☐ Meet with personnel once monthly for at least one hour
- ☐ Evaluate fire personnel annually
- ☐ Maintain ready state of response of fire and rescue apparatus
- ☐ Check all apparatus and equipment for proper operation once monthly
- ☐ Perform other maintenance and activities as necessary

FIRE INVESTIGATION

Description: Fire investigation of origin and cause is completed on all fires as required by applicable State Statutes.

Services:

- ☐ Provide origin and cause reports
- ☐ Identify evidence
- ☐ Request investigation assistance from local, County and State law enforcement agencies when deemed appropriate
- ☐ Provide liaison and other information to other fire investigators and insurance companies

FIRE PREVENTION AND INSPECTION

Description: Fire prevention inspections are completed in compliance with Wisconsin State Statutes and Department of Commerce Administrative Codes. Other prevention activities are completed by community education and permit issuance.

Services:

- ☐ Complete required inspections every six months based on calendar year
- ☐ Control hazards, prevent fires, minimize potential fire loss and educate business owners through fire inspections, pre incident planning and public education
- ☐ Complete required inspections annually based on calendar year
- ☐ Complete follow up inspections as necessary
- ☐ Issue City burning permits
- ☐ Issue DNR burning permits
- ☐ Issue Fireworks permits

FIRE PREVENTION EDUCATION AND COMMUNITY RELATIONS

Description: The fire prevention education and community relations function provides various informational programs for the community that will promote fire safety, fire prevention and fire service awareness.

Services:

- ☐ Coordinate with National Fire Safety Council for fire safety literature/handouts for all Grades K through 5 students in service area
- ☐ Conduct fire safety education programs to pre schools, day care centers, elementary schools
- ☐ Conduction fire extinguisher training to local business, service groups and schools
- ☐ Conduct Fire Safety House Program for Rural Safety Days
- ☐ Conduct Fire Safety House Program for schools and other groups throughout the calendar year
- ☐ Host an Open House at the fire station
- ☐ Conduct fire station tours with schools, day car centers and other groups from the community
- ☐ Present fire safety and fire service information to local civic groups
- ☐ Conduct Juvenile Fire Setter Program when necessary
- ☐ Disseminate information to local media outlets

APPARATUS		
Type	Qty.	Mission
Engine	3	Carry personnel, equipment and pump water
Aerial Platform	1	Elevated platform, carry personnel and pump water
Heavy Rescue	1	Carry personnel and technical rescue equipment
Tenders	2	Mobile water supply
Brush Unit	1	Grass/brush fire response
All Terrain Vehicle	1	Grass/brush fire and rescue response
Command Vehicles	2	Fire Chief Car and multi use vehicle
Special Ops Trailer	1	Carry limited specialized rescue equipment and mobile air supply.
Fire Safety House	1	Fire prevention education
Model T Ford	1	Public relations

2017 GOALS

- Respond professionally to all emergency and non emergency calls for service - **Ongoing**
- Continue emphasis on health and safety of all fire personnel – **Ongoing – Implemented Physical Fitness before training and meetings in addition to weekly tactical fitness sessions. Implemented Annual Incumbent Physical Ability Test**
- Complete proposal and select outside consultant to complete comprehensive study of the fire department operations - **Completed**
- Maintain all apparatus and equipment in ready state - **Ongoing**
- Coordinate efforts with Baraboo Firefighters Fundraising Association to enhance fire department operations and education in the community. – **Purchased Hurst eDRAULIC Rescue Equipment as part of the Association's purpose.**
- Continue recruitment process and complete hiring process in conjunction with operating budget – **Hired seven new firefighters in 2017**
- Create at least one pre incident plan per month – **Needs work**
- Continue response time tracking for specified apparatus (Engine 2, Engine 3, Rescue and new Aerial platform) - **Ongoing**
- Continue compliance with fire inspection program - **Ongoing**

- Continue to use and enhance the use of Jackson Property for fire department training – **Used property for a few training nights**
- Continue using container based training prop for exposure to live fire training – **Used in November for rural fire scenario**
- Continue and promote further use of Emergency Responder Reply System - **Ongoing**
- Continue to request funding for capital equipment replacement – **Funded and ongoing**
- Apply for DNR Grant – **Completed and awarded**
- Seek other funding/grant opportunities - **Ongoing**
- Enhance Social Media outreach – **Assigned more people with responsibility for this and outreach has increased**
- Complete replacement process and gain approval for purchase for scheduled Fire Engine replacement (Engine 3) – **Engine will be delivered on December 7, 2017**
- Create necessary and continue updating and reformatting all department policies and guidelines – **Ongoing, just signed agreement with Lexipol Policy System**
- Maintain number of fire personnel above 40 – **Roster is at 42**
- Explore new options for updating mobile computers and use in apparatus – **Ongoing, budgeted and approved for new iPad for new Engine 3 with cellular connectivity.**
- Work with Consultants to plan remodel of City Hall into complete Fire Station for continued and future use - **Ongoing**
- Offer comprehensive, in-house training program – **Ongoing, trained every month except June and July.**
- Implement in house Driver-Operator training program – **Ongoing, started in late October and finishing toward end of December.**
- Increase the number of qualified Driver/Operators – **Ongoing 10 enrolled in new Driver Program.**
- Continue succession planning for department by offering applicable training in the area of Emergency Services Instructor I and Fire Officer I and II. – **Ongoing, more personnel certified to Instructor I and Officer I Level.**
- Provide unique training opportunities to the Fire Department officer – **Needs attention**
- Implement program to provide training to members that miss meetings or need reminders on techniques - **Needs attention**
- Continue participation in Baraboo Community Classroom Connection Program - **Ongoing**

- Provide training for Driver/Operators on a quarterly schedule – **Started monthly training in February and only missed June (Weather) and July (Fair).**
- Participate in Fire prevention Education Opportunities – **Ongoing, Fire Inspector participates in Area Fire Inspector Meetings**
- Seek training opportunities outside of department – **Ongoing. A few attendees to outside training seminars. One national speaker brought to Baraboo in January, 2017**
- Continue Fire Cadet Program – **Ongoing. Working with School District to offer Fire Academy in High School as part of curriculum.**
- Train with mutual aid departments – **A few firefighters attended live fire burn in an acquired structure and one department session with Delton Fire Department at the Airport.**
 - Update MABAS Cards - **Updated**
 - Attend MABAS Meetings – **Listened to a few State Meetings. Division Meetings take place at County Chiefs Meetings now.**

2018 GOALS

- Work with Project Team on suggested implementation of the following strategies from Fire Department Operations Study:
 - Develop a risk analysis of the entire protection area
 - Develop written Standards of Cover for the fire department
 - Implement updated Mission, Vision and Core Value Statements.
 - Establish goals and objectives through a strategic plan or planning process.
 - Evaluate and implement expanded duties and responsibilities of Department Leadership
 - Plan, revise and implement policy and guideline process through implementation of Lexipol Fire Policy System
 - Implement an all-inclusive budget process
 - Enhance National Incident Management System and Incident Command System Training
 - Train with Mutual Aid Box Alarm System (MABAS) and Mutual Aid Partners
 - Review and revise Fire Investigation work group membership and training.
 - Enhance Emergency Management Training within department, with other City Departments and outside agencies.
- Review Training Program composition and leadership responsibilities
- Enhance relationship opportunities with external agencies
- Upon authorization, integrate Building Inspector into fire department
- Evaluate and implement on call schedule for firefighters
- Evaluate and implement Officer in Charge Program
- Evaluate and implement Paid on Premise Firefighter position
- Create, seek approval and implement Automatic Aid from surrounding departments to enhance incident responses.
- Live the new Mission, Core Values and Vision for the Baraboo Fire Department
- Continue to emphasize health, safety and physical fitness within department.
- Maintain all apparatus and equipment in operational ready state
- Continue recruitment process while utilizing all available resources and complete hiring process in conjunction with operating budget
- Continue comprehensive training program for all positions and all responsibilities of the fire department
- Evaluate and implement a system for members to make up missed training
- Continue compliance with fire prevention and inspection program as required by Wisconsin Administrative Code SPS 314
- Continue training to enhance succession planning efforts
- Continue work towards the effectiveness of remodeling the remaining City Hall/Police Department for enhancement of fire department operations
- Offer an d complete Baraboo Fire Department Driver/Operator Training to interested/selected personnel
- Utilize available and future technology to enhance the administration and operation of the Baraboo Fire Department.
- Evaluate and offer outside training to interested personnel based on allowable circumstances.
- Work with the Baraboo School District to implement a fire academy class into the High School Curriculum.
- Evaluate and implement retention strategies that meet the challenges of the current and future fire service model of the Baraboo Fire Department.

EMERGENCY MANAGEMENT

2018 BUDGET

GENERAL DEPARTMENT DESCRIPTION

STAFF

Name	Position
Mayor Mike Palm	Chairperson
Kevin G. Stieve	Fire Chief/Director
Mark Schauf	Police Chief/Deputy Director
Dana Sechler	EMS Representative
Wade Peterson	Utility Superintendent
Tony Gilman	Streets Superintendent
Tom Pinion	City Engineer
Kelly Lapp	Citizen Appointment
Donna Munz	City Administrative Assistant
Ed Geick	City Administrator(Member in Mayor's Absence)

The City of Baraboo Emergency Management Department shall coordinate all applicable functions to the maximum extent applicable with the existing services and facilities of this City. And with the comparable functions of the Federal, State, County Managements and other political subdivisions, and the various private agencies to the end that most effective preparation and use may be made of work force, resources and facilities for dealing with any disasters that occur.

This Commission serves the entire city encompassed by its geographical boundaries and the residents of the City of Baraboo.

Mission Statement – In conjunction with the City of Baraboo Ordinances, Federal, State, County and other political subdivisions maintain an effective and consistent emergency management program. It is also our mission to protect both public and private property and the citizens of the City of Baraboo.

INSPECTION AND ZONING DEPARTMENT

The Narrative for the 2018 Budget

General Department Description:

Mission Statement – The Inspection and Zoning Department mission is to provide quality inspections in all phases of construction and to protect the health and welfare of all City residents

Personnel – In 2014, the full-time Building Inspection / Loss Control & Safety Coordinator position was eliminated and all building inspections, residential and commercial alike, are provided through contractual services with MSA Professional Services. The department has an Administrative Assistant to assist with issuing building permits and coordinating the requisite inspections.

Services Provided, People Served – The Inspection and Zoning Department is responsible for issuance of building permits and provides any subsequent building inspections. The Department also identifies apparent zoning and/or building code violations and follows up on them, accordingly. The City Engineer serves as the Zoning Administrator and provides assistance with zoning related questions.

- In 2012, a total of 406 building permits were issued, which included six (6) new single-family homes; the corresponding revenue was \$99,847.
- In 2013, a total of 362 building permits were issued, which included eighteen (18) new single-family homes; the corresponding revenue was \$82,770.
- In 2014, a total of 367 permits were issued, which included ten (10) new single-family homes and one (1) new duplex; the corresponding revenue was \$72,868.75. New commercial construction included: Glacier Valley Ford, Dollar Tree, The

Villas at Baraboo, Science Building at UW-Baraboo/Sauk County, and the Lake State Railway Historical Assoc

- In 2015, a total of 439 permits were issued, which included eleven (11) new single-family homes; the corresponding revenue was \$58,718.43. New commercial construction included Synergy Metalworks.
- In 2016 a total of 405 permits were issued, which included forty (40) new single-family homes; the corresponding revenue was \$102,122. New commercial construction included Kwik Trip, Pizza Ranch, and Domino's.
- Through October 31, 2017 a total of 342 permits were issued, which included ten (10) new single-family homes; the corresponding revenue was \$112,849. Noteworthy commercial construction included the City's new Public Safety & Administration Building and the Baraboo School District's addition to and remodel of the High School.

Short and Long Term Capital Needs:

Short term – Provide complete building inspection services through a contract for professional services with a qualified firm. In 2018, a concerted effort will be made to address property maintenance throughout the city.

Long term – Provide complete in-house inspection services for single- and two-family residential construction as well as all commercial construction.

Goals and Objectives:

To promptly provide the support and services that our citizens request from the Inspection and Zoning Department.

BARABOO PUBLIC LIBRARY

Narrative for the 2018 Budget

General Description:

The Baraboo Public Library is a 15,500 square foot Carnegie facility built in 1903, and is located at 230 4th Avenue. The adult department is on the main floor and the children's and teen departments are on the lower level along with a public meeting room.

The library is accessible to persons with disabilities, equipped with an elevator, large print books, books on CD, DVDs, large print computer screens, accessible e-content via Wisconsin's Digital Library, and offers monthly delivery to the homebound. The Library can also provide patrons with a connection to the Wisconsin Talking Book and Braille Library in Milwaukee.

The library is authorized and governed under Wisconsin law, primarily Chapter 43 of the State statutes, and by the City of Baraboo Municipal Code. Wisconsin Department of Public Instruction publishes public library standards that guide the growth and services of libraries.

As a member of the South Central Library System (SCLS), a state supported system of public libraries in seven counties (Sauk, Green, Dane, Columbia, Adams, Portage and Wood), and the consortium of 46 libraries that offers LINKcat, patrons have access via the on-line catalog to materials in the collections of all LINKcat libraries.

In addition patrons have access to materials not owned by LINKcat libraries via out-of-system interlibrary loan and WorldCat.

Primary funding for Baraboo Public Library is provided by the City of Baraboo with additional funding from Sauk County. In 2018, according to current funding request projections, Sauk County will provide \$261,436 for service to rural Sauk County residents. Neighboring adjacent counties will provide an additional \$10,416 for service to their rural residents. Total rural reimbursement is up 0.5% for 2018.

Payments for rural service comprise about 29% of our total revenue.

The remainder of the projected revenue for 2018 includes \$525 in State of Wisconsin aid for the summer library program. The balance will come from day-to-day receipts of fines, and sales of copies, printing, and faxes, and a contribution of \$6,070 from Library General Fund Surplus.

To date in 2017 library across-the-desk revenue in all categories is on pace to meet the budgeted goal of \$27,000. The same goal of \$27,000 for Library Revenue will be retained in 2018.

Library Strategic Plan:

Vision: Enlighten, enrich, entertain, inspire!

Mission Statement: The Baraboo Public Library offers a safe and welcoming environment providing area residents and visitors with confidential access to cutting edge, high quality resources. As a center of lifelong learning, the library proactively engages diverse audiences, encourages collaboration, challenges and empowers its users to participate fully as members of their local and global communities.

Values:

- Be welcoming
- Enable access to cutting edge, high quality resources
- Be collaborative
- Maintain the highest standards of accountability to users and stakeholders
- Maintain privacy and confidentiality
- Be objective, impartial, trustworthy, and honest

Strategic Directions: We will ...

- Continue to provide the highest quality customer service and access to print materials, audio, video, and programming
- Communicate frequently and effectively
- Support the broadest range of interests and ages
- Have outstanding facilities
- Be enterprising while maintaining the highest standards of accountability
- Provide access to emerging and relevant technologies

This five-year strategic plan guides library operations and decision-making. An operational plan is being used to track progress on the six strategic directions.

We reach the end of the plan period in 2017. A goal for 2018 is to develop a new strategic plan. The process will engage the library board, library staff and the community in developing a vision and strategic directions for the next three to four years, through completion of the building remodel and expansion.

Personnel: The library employs 16 people: 4-full-time, 11 part-time, plus 1 part-time housekeeper. In addition the library has several substitutes who are on-call to fill shifts as needed. Full-time positions are: Library Director, Adult Services Librarian/Assistant Director, Youth Services Librarian, and Circulation Supervisor. Part-time positions are: Cataloging/Purchasing Coordinator; Marketing, Adult Programming, and Interlibrary Loan Coordinator; Youth Services Program Coordinator, Teen Program Coordinator, Youth Services Programming Assistant, five Circulation Assistants, and two Shelves.

The Library proactively seeks additional staffing support through internships funded by both state and federal programs. The Federal Senior Community Service Employment Program, provides four-year, approximately 20

hours per week internships, helping seniors update job skills while seeking permanent employment. The Wisconsin Department of Vocational Rehabilitation (DVR) sponsors 3-month/20 hours per week internships for individuals with special needs to gain work experience and references. We offer two ten hours per week work/study positions for students through the University of Wisconsin Baraboo/Sauk County during the fall and spring semesters. We can add anywhere from 0 hours per week to upward of 50 hours per week of additional staff time through these outside agencies.

In the past two years, the funding for the state and federal programs has been in question. Liaison staff are expected to cover large territories which causes difficulty with communication and identifying suitable candidates.

As a result this year we have requested a new Library Page position, Library Grade A, 19 hours per week. This position will take on a variety of basic tasks that had been done by interns. This position will free up time for other staff to work on duties related to customer service and programming.

The Library has a growing volunteer program. We currently have about 15 volunteers who contribute their time on weekly basis. In addition, during the summer our Teen Program Coordinator enlists the help of about 30 teens who help out with various tasks in the Youth Services Department.

Services Provided: Baraboo Public Library provides a diverse collection of approximately 81,000 items including books, magazines, newspapers, books on CD, music CDs, and DVDs, as well on-line access to over 3,000,000 items representing 800,000 different titles held by the 46 libraries in SCLS's LINKcat consortium

In addition to those physical items, the library provides access to more than 189,000 downloadable e-books, e-audio and, e-video through Wisconsin's Digital Library, administered and funded through the Wisconsin Public Library Consortium, Wisconsin library systems, and Wisconsin libraries. SCLS libraries also fund a special collection of e-

book titles that are exclusively available to SCLS patrons called the Overdrive Advantage program. The purpose of this initiative is to reduce the waiting period for high demand titles.

Circulation of physical materials in 2016 at 251,677 was down slightly from 2015 about 1.6%. The use of e-books and e-audio continues to rise rapidly. Total downloads of e-content increased from 12,140 in 2015 to 14,781 in 2016, an increase of 22%.

Public internet service is offered on 13 computers and laptops, and wireless access is available throughout the library. While the trend toward mobile technology continues, in 2016 we saw an increase in use of both library internet computers and wireless internet. The number of patrons accessing the internet on library computers grew from 21,671 in 2015 to 23,035 in 2016, an increase of 6%. Wireless internet use sessions increased from 64,615 in 2015 to 71,872 in 2016, an increase of 11%.

The library provides on-line access to full-text magazine and newspaper databases, test preparation resources, automotive repair information, genealogical search databases, and several other information resources. Most of these resources can be accessed both at the library and from home. With funding from Sauk County earmarked for technology, the library is able to provide patrons with access to Consumer Reports Online and Flipster, a digital magazine resource.

Patrons visited the Baraboo Public Library more than 156,877 times in 2016. That's an average of over 3,000 visits per week! At the end of 2016, 6,695 residents of the City of Baraboo were registered card holders. That's 56%!

Friendly, personalized information service is provided in person or by telephone during the Library's 58 open hours per week. Library staff members are knowledgeable about library resources, technologically competent, and experts in customer service. Staff share evening and Saturday hours. Ongoing continuing education and professional development is encouraged.

The Youth Services Department provides a full range of programs for infants through high school youth during the school year, as well as extensive summer programming for all ages. The Library works closely with area day care providers, Head Start, and the Baraboo School District. A Teen Advisory Board assists in planning and promoting teen reading and activities. Teen volunteers provide hours of program assistance during the summer reading program.

The Adult Services Department hosts a variety of programs that focus on the unique and noteworthy in Baraboo, Sauk County, and Wisconsin. We continue to host: an ongoing memoir writing-workshop begun through a partnership with the UW Baraboo/Sauk County Library; book discussion groups; readings and book signings with Wisconsin authors and poets; live music featuring local musicians; and a variety of programs that explore civic and cultural themes.

Note that since 2010, library program attendance has increased dramatically. In 2010 the library held a total of 545 programs with a total of 7,100 attendees of all ages. In 2016 we held a total of 889 programs with a total attendance of more than 17,891. The library has truly become Baraboo's lifelong learning center.

The library provides and maintains a Local History Collection, including microfilm of the Baraboo News Republic from 1855 to the present. Much of the index to the Baraboo newspapers has been converted to electronic format and is accessible via LINKcat. Staff members reply to obituary requests that come from all over the country.

The library also provides state and federal income tax forms; an exam proctoring service for students engaged in independent study and online learning; houses and circulates the adult literacy tutoring collection in partnership with the Baraboo Area Literacy Council; and offers the program room for use by outside organizations when available.

Vehicles and Major Equipment: None

Short Term Capital Needs – 2018 Capital Requests:

Radio Frequency Identification (RFID) Project

Libraries throughout the South Central Library System and around the world are replacing barcodes with RFID technology. RFID systems speed up the checkout and check-in processes, control theft and facilitate materials handling and inventory control. RFID will become the industry standard.

We propose to begin transitioning to RFID for circulation and security of materials to be ready for our new building. To begin we need to purchase RFID tagging workstations and tags.

This will be a two-year project with a total funding request of \$15,871. In 2018 we'll purchase the tagging stations and half of the number of tags required for the collection. In 2019 we propose to request funding to purchase the remainder of the tags needed to finish the project.

2018 request: \$9,371

Two (2) RFID Workstations and software: \$2,174

RFID tags (approximated 44,000): \$6,704.40

Shipping and handling: \$491.80

Long Term Capital Needs:

Library Facility Upgrade: \$10 million in 2021

Planning and preparation for a building addition and renovation continues.

To recap:

- OPN Architects from Cedar Rapids, Iowa and their partner firm of Dorschner Associates in Madison, finish the preliminary building program and conceptual design. (April 2009- January 2010)
- The Library acquires the neighboring property to the east formerly owned by Dr. Thomas Ritzenthaler. Rent paid by tenant Dane County Land Title covers building expenses and provides some ongoing revenue to the Library Building Fund. (December 2009-January 2010)
- An agreement is made between the United Methodist Church and the Baraboo Public Library Board of Trustees for the purchase of 20 feet of additional property required to accommodate the expansion plan. The agreement allows the church to sell the property to the Library when groundbreaking is imminent. (February 2011)
- The Library Board creates and fills a part-time, 12-month, with the potential for renewal, Library Development Coordinator position to raise awareness and plan and implement a capital campaign. (December 2012)
- In recognition of the need to move forward with the goals of the Library Development Coordinator in a timely way, the Library Board increases the position from part-time to full-time for the remainder of 2013, effective July 1
- Library Board Buildings & Grounds Committee begins the process of updating the original building program drafted in 2009, focusing on the impact of the accelerating pace of change of technology, the role of e-content in library collections, concern about future staffing costs, and the need for community space to create and engage. (July – September 2013)
- Buildings & Grounds Committee re-connects with OPN Architects to inform them of the desire to update the conceptual design based on changes to the program. (September 2013)
- The Library Board accepts OPN's Proposal to update the conceptual design. (February, 2014)

- At a special meeting on April 15, the Library Board agrees to a new scope and budget for the project including a 7,000 square foot reduction in size and a \$1.2 million reduction in project cost – from \$8 million to \$6.8 million.
- Library Board and Buildings & Grounds Committee work with OPN principals to refine conceptual design. (June 2014 – February 2015)
- Kraemer Brothers provides a construction budget estimate. (July 2015)
- Library Board considers construction estimate, and other project costs, including the projection to 2020 dollars, the date City funding may be available in the current capital funding schedule. (August 2015)
- Library Board approves a \$5 million revenue request to the City based on a total project cost estimate of approximately \$8 million in 2020 and sets a capital campaign goal of \$2 million. (November 2015)
- Library Board approves naming opportunities for capital campaign plan and begins drafting case for support. (December 2015 – February 2016)
- Library Board considers formation of ad hoc committee to review the progress on plans to upgrade the library and approves. (April 2016)
- Upgrade Review Committee meets to review the building project work completed to date and assess if that work sufficiently addresses the current and future library space needs. (September – December 2016)
- Upgrade Review Committee makes its report to the Library Board. (January 17, 2017)
- The Library Board adopts the recommendations made by the committee. In accord with the recommendations, the Library Board forms the Ad Hoc Library Expansion Committee (LEC). (February 21, 2017)

- LEC meets with Mayor Palm and City Administrator Ed Geick to discuss the recommendation that the city fund the entire project (March 9, 2017)
- Based on feedback from the March 9 meeting, Library Board revises its request. Based on a preliminary total project budget estimate of \$11 million, the Library Board requests \$10 million in capital support from the Council.
- Informational meeting for the Common Council held at the library on June 26, 2017 including a video of current services and tour led by library staff.
- The \$10 million placeholder is added to the 5-year capital building plan in 2021.
- Library Board approves a request for proposals (RFP) for planning and design services. (October 17, 2017)
- RFP is distributed to 21 architectural firms. (October 20, 2017)

The Library currently holds approximately \$64,000 in impact fees. The sum of the current balance of the Library Trust Funds and the Library Building Fund is approximately \$2.4 million.

Personnel Changes:

In 2017 there were no changes to library positions or the organizational structure. We said good-bye to a few employees - Amber Fick, Georgene Kunze, and Shelly Morehouse – and welcomed new additions: Iveta Petkova-Ball, Megan Olson, and Pat Taylor.

Staffing structure is an area of interest for study in the 2018 strategic planning process. As the library evolves from repository for books to a dynamic lifelong learning and community center, it makes sense that the staffing structure may need to change too.

Program and Service Changes:

2017 Capital Improvements: Microfilm Scanner

The library offers access to the Baraboo News Republic on microfilm back to 1855. Our collection is unique in Sauk County. The Sauk County Historical Society refers researchers to the library for access to this resource.

The ScanPro 3000 has a 26-megapixel camera which creates high resolution, archival quality scans and software that produces image files with optical character recognition in one step. It also functions as a reader/printer and allows a user to save a scan electronically.

Program Room Sound System

With Library Board designated trust funds and Sauk County Technology Funds we purchased a high quality sound system that dovetails with the digital story time equipment purchased as a City capital project in 2016. As a package it makes possible very high quality presentations of sound and video. It will also be available for outside users of the program room beginning in 2018.

Air Conditioning Unit and Boiler Adaptation

Operational support from the City of Baraboo made it possible to do needed repairs and updates the facilities. A new air conditioning unit for the Youth Department was purchased as was an accessory for the boiler that improves heating efficiency during the spring and fall.

Adult Department improvements

The Library Board pledged up to \$100,000 from the Library Building Fund to refresh and update the reading room. Improvements completed include:

- eight new floor electrical outlets
- new carpet and front stair treads
- new study tables and chairs

- new lounge seating
- a fireplace insert (purchased by the Friends)
- new café seating behind the fireplace
- restoration of the original front doors

LibraryPalooza!

Library programming staff undertook a radical redesign of the summer reading program. READO (think Bingo) cards were developed for all ages. The prize for completing a row, column, or diagonal was a wrist band for special treats and prizes LibraryPalooza, our end of summer celebration. LibraryPalooza featured live music, a dunk tank, bouncy house, face painting, and more. 300 adults, children and teens attended.

Friends of the Library:

Now in their twelfth year, the Friends of the Baraboo Public Library continue to provide support for the library through fundraising, volunteerism, and advocacy. Their current activities include the spring and holiday book sales, an ongoing, year round book sale cart, the Books for Newborns program at St. Clare Hospital, free coffee service once per week during the fall and winter months, and concerts January through March.

The name of the group truly says it all. The Friends have helped us make ends meet when the budget was tight and supported extra special projects which would otherwise be impossible.

#####

In the coming year we look forward to new partnerships and collaborations, teaching new technology, and serving individuals and businesses alike. We look forward to engaging in community conversations to develop a new strategic plan for library services. We look forward to working together to

design a remodeled and expanded library facility that will meet the needs of the City of Baraboo for years to come. We look forward to providing the citizens of our community with another year of outstanding service at the Baraboo Public Library.

Thank you for your support.

“There is not such a cradle of democracy upon the earth as the Free Public Library, this republic of letters, where neither rank, office, nor wealth receives the slightest consideration.”

~ Andrew Carnegie

PARKS, RECREATION AND FORESTRY

The Narrative for the 2018 Budget

General Department Description:

Mission Statement - The mission of the Parks, Recreation and Forestry Department is to provide City of Baraboo residents with quality facilities and the opportunity to enjoy leisure time activities through well-maintained parks, diverse recreation programming and forestry management activities.

Personnel – Permanent (11.5 FTE)

- Director of Parks, Recreation & Forestry
- Recreation Supervisor
- Office/Recreation Facility Coordinator
- Parks Maintenance Foreman
- Parks Equipment Manager
- Parks Maintenance Technician
- Zoo Manager
- Zoo Specialist
- Forestry Specialist
- Maintenance Technician - Civic Center (2)

Personnel – Seasonal/Part Time (approx. 100)

Parks/Zoo Maintenance Seasonal:

- Park Summer Maintenance (4)
- Concessions Manager (1)
- Zoo Technician (1)
- Zoo Interns (3)

Civic Center Maintenance Seasonal:

- Weekend Building Supervisor (1)

Swimming Pool seasonal:

- Head Lifeguards (3)
- Lifeguards (10)
- Pool Attendant (3)
- Water Safety Instructors (4)

Recreation seasonal:

- Youth Baseball Umpires (4)
- Adult Softball Umpires (4)
- Tot Lot Coordinator
- Tot Lot Instructors (2)
- Tennis Coordinators (2)
- Tennis Instructors (2)
- Tumbling/Gymnastics Coordinator
- Tumbling/Gymnastics Instructors (3)
- Adult Basketball Referees (4)
- Adult Basketball Scorekeepers (2)
- Volleyball Referees (3)
- Youth Soccer Coordinator
- Youth Soccer Instructors (4)
- T-Ball Coordinator
- T-Ball Instructors (4)
- Youth Basketball Coordinator
- Youth Basketball Instructors (3)
- Youth Gym Coordinator
- Visual Arts Instructors (3)
- Youth Track Coordinator
- Youth Track Instructor (2)
- Adventure Camp Coordinator
- Adventure Camp Instructors (2)
- Ice Rink Supervisor
- Youth Flag Football Coordinator
- Youth Flag Football Instructors (3)
- Youth Volleyball Instructor (2)
- Mini Camp Coordinator
- Mini Camp Instructors (2)
- Adult Fitness Instructors (2)
- Tai Chi instructor
- Summer Camp Instructors (3)
- Summer Office Assistant
- Summer Program Assistant

Parks and Recreation continued

In addition to paid staff, the Department enlists over 80 volunteers for various positions including baseball and soccer coaches as well as groups and organizations who help with park clean-up, Riverwalk maintenance, zoo concessions and street tree planting.

Services - Civic Center - One of the many functions of the Civic Center is to provide meeting space for any group or organization that needs a room on a regular basis or for a one time meeting. The center leases several rooms on a yearly basis to organizations including: Baraboo School District, Baraboo Senior Citizen Center, Baraboo Boys & Girls Club, Wisconsin DPI, Wisconsin DNR, Baraboo Range Preservation Association, the Nature Conservancy, Stage III Theater for Youth, and Lane Realty & Property Management. The Parks, Recreation and Forestry offices are located in the Civic Center and the center serves as the registration location for most recreation programs and park reservations.

The Civic Center Gymnasium is the only community owned gym facility that is available for rental by groups, organizations, as well as individuals who would like to get together for leisure activities.

The Civic Center serves as the election polling location for all wards of the City of Baraboo as well as serving the City as the local Emergency Shelter.

The Fitness Center in the Civic Center is a very economical facility for someone to start or maintain a personal fitness program and serves various ages in promoting personal fitness. Over 130 individuals, many seniors or low income individuals with health needs, hold memberships to the fitness center.

Meeting and lease space at the Civic Center is available for rent.

Services – Parks - The park system provides safe open spaces and quality facilities for leisure time activity. Services include mowing and maintaining over 170 acres of public greenspace and preparing facilities for both structured and unstructured recreational use. The dog park and Riverwalk are two major facilities that are used by both residents and visitors.

Mowing is also performed at City stormwater detention basins, the Community Services Building and surrounding property and the Jackson Property, as well as clearing snow and weeds from several city sidewalks, bridges and the 3-mile long Riverwalk.

Park facilities maintained include:

- 7 – baseball/softball fields
- 13 - park shelters
- 4 - gazebos
- 4 – adult tennis courts
- 4 – youth tennis/pickleball courts
- 17 - playground structures
- 5 – soccer/lacrosse/football fields
- 5 - outdoor volleyball courts
- 5 - outdoor basketball courts
- 2 - outdoor ice skating rinks
- 1 – ADA fishing pond
- 1 - outdoor swimming pool
- 1 – indoor community pavilion
- 1 – skatepark
- 1 – fenced dog exercise area
- 1 - Arboretum

Another important service of the park department is to assess the changing recreational needs of the community and meet those needs through proper planning, renovation, acquisition, and development.

Services – Trails - The Baraboo Riverwalk, a cooperative project between the City of Baraboo and the Baraboo Kiwanis, is an asphalt path running 3 miles along the Baraboo River corridor. The Riverwalk is part of the national Ice Age Trail system and connects with several park areas.

Optimist Trail is a ¼ mile asphalt trail around the pond at City View Park. The heavily used neighborhood trail was developed with support from the Baraboo Optimist Club.

Parks and Recreation continued

Most City Parks have ADA path segments connecting playgrounds and shelters to sidewalks and parking areas which are all maintained by parks staff and provide access to facilities.

Services – Zoo - The Ochsner Park Zoo gives visitors an opportunity to view animals of the wild in a safe, healthy setting. An equally important service of the zoo is to educate visitors on the habitat of the zoo animals and allow those animals to live in an environment as similar to their natural environment as possible. The Zoo has no admission fee and welcomes approximately 35,000 visitors each year.

Services – Forestry - The Department offers a tree planting and maintenance program for over 7,500 trees on the city right of way and in park areas. Services include planting a wide variety of trees and controlling diseases, including EAB. Approximately 500 ash trees are now treated on an annual basis to resist EAB.

The City forestry program has been recognized as a 25-year “Tree City, USA” and received 4 Growth Awards, the last in 2016.

Services – Recreation - The Department provides year round recreation opportunities for all ages. Youth programs are designed with scholarships available for 50% assistance to low income families.

Adults are offered a wide-range of activities designed to be affordable, yet fiscally responsible, with participants covering all non-administrative costs through individual and sponsor fees.

Senior citizen programs are offered for the passive and active senior. Personal wellness is an area given special attention by the department through the senior exercise program and fitness rooms.

Recreation program fees are based on residency with City of Baraboo participants paying a lower fee than non-residents.

Services – Swimming Pool - The outdoor pool offers recreational swimming, swim lessons, adult lap swimming, aqua zumba and water aerobics, and is home for the Baraboo Riptide Swim Team.

The swim lesson program is designed to teach proper swimming techniques and water safety concepts. City residents are given registration priority. The swimming pool is a fee based facility open to everyone.

Short and Long Term Capital Needs:

For 2018

Civic Center gymnasium air conditioning - \$7,900
Civic Center phone system - \$12,000
Parks truck purchase - \$25,000
Parks tractor replacement - \$10,000
Re-key Parks & Zoo locks - \$10,000
Playground equipment at Ochsner - \$11,500
Riverwalk pedestrian bridge at Mill Race - \$400,000
Riverwalk extension at Mill Race - \$50,000
Canoe/Kayak pier at Maxwell-Potter - \$80,000
Zoo fence improvements - \$30,000
Zoo office/kitchen renovations - \$10,000
Pool safety fence - \$8,175
Pool doors - \$10,000

For 2019

New basketball court at Steinhorst Park- \$10,000
Fitness room treadmill - \$7,500
Pierce Park parking lot - \$45,000
Dredge Deppe pond - \$30,000
Picnic Shelter at Attridge Park - \$70,000
ADA fishing pier at City View Park - \$22,000
Wading Pool patio - \$12,500
Steinhorst Park Playground Equipment - \$28,000
Concrete floor in Zoo shop building - \$12,000
Steinhorst Park walking path - \$15,000
Replacement Truck @ Civic Center - \$22,000

Parks and Recreation continued

For 2020

Replacement Truck @ Zoo - \$25,000
City View Park restrooms - \$70,000
Pierce Park pavilion HVAC - \$45,000
Splashpad - \$175,000
Oak Street Overlook - \$75,000
New playground Equipment - \$35,000
Replacement Mower - \$35,000
Arboretum phase 2 trail/bridge - \$45,000
Renovate Deer Exhibit - \$180,000

For 2021

Pool Parking Lot repairs - \$30,000
Expand Lower Ochsner parking lot - \$24,000
Maxwell-Potter gazebo - \$25,000
Steinhorst Park Picnic Shelter - \$12,000
New Playground Equipment at Ochsner Park - \$30,000
Statz ballfield lighting - \$60,000

For 2022

Pierce Park Field #4 Lighting - \$55,000
Pierce Park concession stand/restrooms - \$75,000
Pool painting - \$25,000
Playground equipment - \$50,000
Statz canoe/kayak landing - \$40,000
Replacement parks truck - \$28,000

Personnel Changes –

The addition of summer interns at the zoo in helped allow the department to add enrichment programming and bring the zoo closer to accreditation standards, as well as ensure staff supervision every hour the zoo is open.

The presence of EAB continues to stretch City Forester time commitments. Staff is developing an internship program to assist with the increased forestry needs on the department, and has shifted a full-time position from the parks division (Facility Manager) to forestry (Forestry Specialist) to assist with our busiest division. It should be considered to reallocate other staff time to assist the park maintenance crew in operational duties to avoid disruptions in park services.

While staffing levels seem to meet basic needs now, any future increases to turf areas will require considerations to add seasonal positions to handle the demand – including lawn care, snow removal, facility cleaning, etc. In addition to park areas, parks staff also maintains grounds for detention basins and other department facilities, so any growth in City facilities (not just parks) typically involves requests of park staff time as well.

The greatest need on staffing is to work on increasing seasonal pay rates to keep pace with area businesses and attractions in the Dells which thins an already slim summer workforce. Getting applicants has been a big challenge as fewer kids are working, and area businesses have increased wages making budgets difficult to maintain at lower pay levels.

Program and Service Changes -

The Department continues to work with local sports clubs, the Boys and Girls Club and the Senior Center to avoid duplicating services and cooperating on programs when possible. The Department is attempting to make more efficient use of facilities, especially the Civic Center, by refining reservation processes, improving staff efficiency and making equipment improvements when possible to reduce utility costs.

Recent improvements to the Civic Center facility and new programming at the Zoo scored very highly with patrons. Continued improvements should be made to these facilities annually to continue making space available for additional programming.

Narrative for the 2018 Police Department Budget

Purpose Statement – *To provide professional unbiased police services that support our community and help it to grow through the reduction of crime and the fear it causes; while promoting a safe environment*

WILEAG Accredited – Wisconsin Law Enforcement Accreditation Group

Our police department complies with the standards adopted by Wisconsin's only law enforcement accreditation organization, has passed a rigorous accreditation evaluation, and therefore is one of only eighteen law enforcement agencies in the State of Wisconsin that holds a Certificate of Accreditation as proof of adherence to the best professional practices in policing.

An IACP Oath of Honor agency – International Association of Chiefs of Police

Our police department has confirmed its commitment to integrity by adopting an oath of honor established by the International Association of Chiefs of Police. In addition to swearing to uphold the constitution, each of our officers has also taken an oath of honor; swearing to uphold standards of integrity, character, and public trust.

Services Provided, People Served – The Police Department provides services to the community 24 hours per day, 365 days per year. The department delivers service to our permanent residents as well as a much larger and diverse daily service population, which consists of persons commuting into the community for employment, education, shopping, and tourism. The department is organized into three divisions: Patrol, Departmental Services, and Records.

The police officers of the Patrol Division respond to emergency and non-emergency calls for service around the clock. They also provide traffic control and enforcement; security services; and crime prevention patrol activities.

The Departmental Services Division is responsible for conducting criminal investigations and providing Police-School Resource Officer.

The Patrol and Departmental Services Divisions receive clerical support from the Records Division. Law Enforcement is records intensive and requires the completion of many police reports and related documents. This division also provides support for court, training, property, and evidence functions.

Narrative for the 2018 Police Department Budget

Personnel – The Baraboo Police Department has an authorized strength of thirty-four full-time employees. The department also employs five part-time adult school crossing guards.

Authorized positions are:

Chief of Police
Captain
Lieutenant
Patrol Sergeants (4)
Police Officers (16)
Detective Sergeant
Detectives (3)
School resource officer (2)
Community Service Officers (2)
Administrative Assistants (3)
Receptionist
Crossing Guards (5)

Vehicles and Major Equipment

The department maintains a fleet of thirteen vehicles.

Patrol Vehicles:

The Patrol Division primarily uses marked cars – five marked Ford Police Interceptors, two marked Police trucks and two unmarked Ford Police Interceptors.

Investigative and Administrative Vehicles:

In addition to vehicles dedicated to patrol, four unmarked vehicles are used for investigative and administrative

transportation. These include a Ford Escape, a Ford Explorer, Ford F150 and a Ford Taurus.

Community Services Van:

This vehicle is a mini-van that is used for transporting impounded animals, abandoned bicycles, other property that cannot be readily hauled in a police car, and as general transportation for the Community Service Officers.

Major Equipment:

Other categories of major equipment maintained and used by the police department include:

Weapons (handguns, shotguns, rifles, and Tasers)
Radios (mobile, handheld, and base)
Speed Detection Equipment (radar and laser)
Mobile Video Recorders (vehicle mounted)
Body worn camera systems
Computers (mobile, desktop, and servers)
Ballistic Vests
Office Furniture and Equipment
Emergency Lighting and Siren Systems
Patrol Bicycles
Critical Incident Negotiations (CIN) Equipment
Emergency Response Team (ERT) Equipment

Narrative for the 2018 Police Department Budget

Short and Long Term Capital Needs:

2018

Vehicles:

Police vehicles \$88,000

General Equipment:

Body armor (less grant) 3,750
 Mobile data computer replacement 12,000
 Mobile video replacement 5,600
 Portable radios (new equipment) 19,000
 ERT vests (2) 3,000
 Body worn cameras (5) 5,000
 TASER replacement 5,000
 Radar replacement 3,000

Staffing increases 0

2019

Vehicles:

Police vehicles \$70,000

General Equipment:

Body armor (less grant) 4,000
 Mobile data computer replacement 8,000
 Mobile video replacement 5,600
 Radar/laser for speed enforcement 3,500
 ERT vest (2) 3,000

Body worn camera (5) 5,000
 Mobile squad radio 15,600

Staffing increase

No staffing increases 0

2020

Vehicles:

Police vehicles \$70,000

General Equipment:

Body armor (less grant) 6,650
 Mobile data computer replacement 8,000
 Mobile video replacement 5,600
 Body worn camera 5,000
 Radar/laser for speed enforcement 3,500
 Mobile squad radio 15,600

Staffing increase

0

2021

Vehicles:

Police vehicles \$70,000

General Equipment:

Body armor (less grant) 7,000
 Mobile data computer replacement 8,000
 Body worn camera (5) 5,000
 Mobile video replacement 5,600
 Portable radios 7,500
 Light bar 3,000
 Speed enforcement laser 3,500
 Police Canine 10,000

--------------------------	---

Comments and Summary:

The 2018 police budget includes staffing, equipment, and supply expenses to support the current level of services provided by our police department.

Because we are a service agency, the majority of our budget is comprised of labor and related costs. The remainder of the budget provides for the equipment, training, and supplies to support our staff.

Canine Program

Our canine program was implemented in August of 2010. The cost of the police dog, training, equipment, supplies, and veterinary services have been paid by donations and other non-tax revenue. These costs are included in this budget, fully offset by donations. I will be seeking to add a Canine in the future, funded by the City.

Vehicle Purchases:

Our 2018 budget includes the purchase of one marked patrol car, and one unmarked police vehicle and replace of the community service van. This replaces two older squad cars and a van which have been repair problems.

Other Capital Equipment Purchases:

Replacement equipment includes:

Ballistic vests (5) – to replace those whose service life expires in 2018 and to equip any replacement employees
Mobile data computers – scheduled replacement of 3.
Mobile video – scheduled replacement
Portable/ Mobile radios – To replace portable radios that have been damaged and worn out from use. This is done with good used equipment saving significant monies.
Taser – The budget includes replacement of 2 Taser's that are out of warranty and no longer supported by the company. There will be a complete rotation replacement as they become unserviceable. We have completed an issuance to every officer.

Narrative for the 2018 Police Department Budget

Light bars – Technology has changed a great deal and the cost has increased.

ERT vests – We have 4 members of the Sauk County Emergency Response Team. Their Level IV vests are out of warranty. Two more will be replaced in 2018.

Body worn camera- In 2016 we began the process of purchasing a robust BWC for each officer. With a donation from the public we were able to purchase the first 10. This program may replace the squad video in the future. We are studying the data. We are looking to pick up at least 5 more this year.

PUBLIC WORKS DEPARTMENTS

The Narrative for the 2017 Budget

General Department Description:

Mission Statement – The Public Works Department mission is to maintain the City streets, storm drains, and alleys in satisfactory condition so as not to affect the safety, health & welfare of the citizens.

Personnel – The Department currently consists of 16 workers. One is the Street Superintendent, who supervises the remaining 15 workers. Those workers are as follows: Crew Foreman (2) Heavy Equipment Operator, Mechanic, Parts/Yard Attendant, and 9 other positions that are described as being Licensed-Semi-Skilled positions. In addition, there is one Licensed Semi-Skilled position in the Sanitation Department, which is also under the Public Works Superintendent.

Services Provided and People Served – The Public Works Department serves all 12,023 citizens on an equal basis. The Public Works Department is responsible for the maintenance of a 70-mile roadway system to provide safe and efficient use by the citizens and tourists who visit our community. In addition, the Department is responsible for the maintenance and upkeep of various infrastructure systems that are related to the street network with the exception of the water distribution system. The Department is also responsible for maintaining the safety and welfare of the citizens by the efficient removal of garbage, recyclable materials, and other solid waste products. There is no one program that is provided for a certain group or class of citizens that is not provided for all. The Department tries to provide these services regardless of a citizen's status in the City. The services provided are as follows:

Garbage Collection: Garbage collection is provided on a weekly basis to all citizens within the City. Beginning in 2014, garbage collection went fully automated which required all City residents to

purchase a garbage cart. A side-load, one-person garbage truck is used in the residential areas.

Recycling: The City continues to collect recycling on a bi-weekly schedule, the same day as the garbage collection. Beginning in 2014, recycling also went fully automated which required City residents to purchase a recycling cart as well. A side-load one-person recycling truck is used for residential recycling collection.

Snow & Ice Control: The Public Works Department is responsible for snow and ice control within the City. Salting, sanding, and plow operations are under the direct supervision of the Street Superintendent, who determines, dependent upon the storm, the extent of measures that are necessary to provide for a safe travelling surface for the citizens. In general, and dependent upon the storm, attempts are made to make sure that all of the main collector streets and the downtown business area are cleared of snow prior to 6:00 a.m. For those storms that do not require snow plowing or removal, maintenance of the road surfaces in a safe condition by either the application of salt and/or sand is made with the prime factor being the ability to travel throughout the City in a prudent manner without the risk of accident.

Traffic Control Street Signs: The Department is responsible for the maintenance of all traffic control devices and for street signs which indicate the various regulations for parking, speed, and other informational zones. For those signs that regulate access to intersections, the Department is responsible for replacing signs on an as soon as notified basis. The Department is also responsible for all street markings within the public right-of-way that indicate no parking zones, limited term parking, handicap parking zones, and traveled lanes of traffic.

Weed Control: The Department is responsible for the control of weeds, not only along the roadsides and alleyways of the City, but also in those areas of the City that have been designated for industrial park expansion, but are not being leased for agricultural purposes.

Storm Sewer: The Department is responsible for maintenance and cleaning of the storm drain system. An important aspect of this task is the timely cleaning of catch basin grates so that localized street flooding is prevented.

Parking Lots: The Department is responsible for the maintenance of the public parking lots that are located throughout the City. These maintenance activities include reconstruction, patching, weed control, line painting, and snow and ice removal.

Street Maintenance: The Department is responsible for the maintenance of all street surfaces in the City of Baraboo, so as to provide a good travelling surface for the citizens at large. This is accomplished by a variety of maintenance measures, which include pothole patching for all streets and alleys within the public right-of-way, crack filling and/or seal coating for those streets that are in a condition that would warrant the use of such a maintenance measure; grinding, which entails the removal of the top inch and one-half of blacktop from a street and the placement of a new bituminous surface course. Pulverizing, which includes the operation of grinding up and mixing the surface with the gravel base on an existing street, which is then overlaid by a new layer of bituminous surfacing and reconstruction which consists of the total excavation of a street with the placement of new gravel base coarse and a new bituminous surface. Usually, this also entails the installation of new concrete curbs and gutters.

Curb and Gutter: Through the reconstruction activities of the City, the Department prepares a roadway for new concrete curb and gutter that is placed by a subcontractor. The Department replaces curb on a spot repair basis in areas that need only limited corrective action to raise the curb to an acceptable standard.

Vehicles and Major Equipment –

1. Large pickups:	2
2. Tri-axle trucks	3
3. One-ton trucks:	4
4. 5-yard dump trucks:	7
5. Skid steers:	3
6. Loaders:	2
7. Motor Grader:	1
8. Prentice Loader:	1
9. Sewer Jet Cleaning Machine:	1
10. Water Tank Truck:	1
11. Side-load Garbage Trucks:	2
12. Rear-load Garbage Trucks:	1
13. Tractor Back-hoe:	1
14. Wheeled Excavator	1
15. Crawler Dozer	1
16. Tractors:	2
17. Rollers:	2
18. Crack-sealing Machine:	1
19. Street Sweeper:	3
20. Leaf Vacuum	2

With the exception of the crack sealing machine, there are no single use vehicles or equipment within the Department of Public Works. Each piece of equipment is used for multiple tasks. The pickups are used to haul barricades, to tow the paint machine, or haul other materials of which it is capable of hauling. The 1-ton trucks are used for patching, leaf collection, catch basin cleaning, hauling barricades to jobs, and many other tasks. The tri-axle dump trucks are used for hauling materials to street reconstruction activities, and to remove snow from the downtown area. The 5-yard dump trucks are also used for hauling materials and patching roads; in addition,

they are used to plow snow and spread salt and sand. The skid steers' are used in the street reconstruction activities, leaf collection activities, and in snow removal activities. Loaders are used during street reconstruction activities, brush collection, and in the winter for snow plowing. The motor grader is used not only for street and alley reconstruction activities, but also for plowing snow. The Prentice Loader has been used to collect brush throughout the City; however, it has also been used to help set manholes, catch basins, street lights, and even to move small quantities of dirt to areas that are inaccessible to the loaders. The sewer jet cleaning machine is primarily used for cleaning sanitary sewers; however, the vacuum portion of the machine has been used to clean tanks at the wastewater plant and also assist the Water Department such as at times a water main breaks when their pumps cannot sufficiently handle the water in the ditch. The Water Tank Truck is primarily used with the sewer cleaning machine; however, has also been used to flush streets after spills, haul water cooled concrete saws when pavement cutting has been necessary, and to moisten the base during street re-construction to maximize compaction. The side-load garbage trucks are used for residential garbage and recycling collection. The rear load garbage truck is used as a backup when the side-load garbage trucks are being repaired and immediately following a holiday when we experience a heavier garbage and recycling load. The tractor backhoe is used for street reconstruction activities, sanitary and storm maintenance activities, and has been used in snow removal activities. The tractors are used primarily for mowing of roadsides and park or industrial park areas; however, have also been used to pull a small leaf vacuum machine and to utilize a rot tiller which is used to process the composted leaves after they have been collected. The rollers are used in street reconstruction activities and are also used in seal coating of streets and patching of small areas around manholes, catch basins, or curb replacement work. The crack sealing machine is used solely for crack sealing. The street sweepers are used to sweep the streets of debris from the normal accumulation that occurs from year to year. They have also been used to clean areas after spills from trucks that haul through the City and are used extensively in the fall for collection of leaves, after the main leaf collection crew has passed through an area. The leaf vacuum is used for leaf collection.

Water Utility Mission Statement

The mission of the Baraboo Water Utility is to provide an adequate supply of high quality, potable water at reasonable cost to the residences and businesses of Baraboo. We are dedicated to supplying friendly, convenient and dependable service. We will provide services with sensitivity to customer's concerns; diligently strive to conserve vital resources and support community interest and growth.

Vision Statement

Be a utility which embraces modern technology, provides the best possible services at an efficient price, and applies conscientious stewardship of area groundwater resources.

Personnel

The Utility currently consists of eight personnel: Utility Superintendent, Office Manager, Billing Technician, Working Foreman, and four Maintenance Crewmen. The Superintendent, Foreman, and Crewman are State of Wisconsin Department of Natural Resources – Municipal Water Supply Operator Certified.

Services Provided, People Served

The Water Utility services all 11,993 citizens, retail and industrial customers within the City and 21 town of Baraboo customers; all totaling 4,648 customers. The Utility provides domestic water, industrial cooling water, and fire protection water. The system consists of 73.4 miles of water main, five wells, and six storage facilities. The Utility annually pumps and treats 740,936,000 gallons of water.

2018 Projects

The capital projects include the replacement of lead service lines, replacement of various fire hydrants and continue with our fire hydrant painting project. There will be a water main replacement project in conjunction with Vine Street reconstruction. Well #2 pump will be pulled for reconstruction.

Other Budget Notables

The Commerce Street Water Tower, Oak Street Reservoir, and Hwy "A" Water Tower will have their 5 year inspection. The exterior of the Oak Street Reservoir and the Birch Street reservoir will be cleaned.

The Utility will be purchasing a new locator for tracing utility lines.

Sewer Utility Mission Statement

The mission of the Baraboo Sewer Utility is to: Provide safe, competitive user rates, high quality wastewater treatment and quality control services and products for all City of Baraboo residential customers, retail customers, industrial customers and three regional wholesale customers. Perform wastewater treatment and quality control services in a socially, ethically and environmentally responsible manner to protect the health, well being, and quality of life of our customers and the public-at-large living, working and playing along the Baraboo River.

Personnel

The Utility currently consists of seven personnel: Utility Superintendent, Office Manager, Billing Technician, Working Foreman, Lab tech, and two Maintenance Crewmen. The Superintendent, Foreman, and Crewman are State of Wisconsin Department of Natural Resources - Wastewater Operator Certified.

Services Provided, People Served

The Sewer Utility services all 11,993 citizens, retail and industrial customers within the City along with the Village of West Baraboo, Devil's Lake State Park, and Baraboo Sanitary Sewer District #1. The Utility provides the collection system and treatment facility. The system consists of 73.4 miles of sanitary sewer main and two lift stations. The Utility annually treats 303,560,500 gallons of wastewater. The treatment facility consists of laboratory, screening, biological phosphorus removal, activated sludge process, effluent disinfection, and Biosolids thickening and stabilization.

2018 Capital Projects

The capital/major maintenance projects are: sanitary manhole rehabilitation and sewer main repairs.

The construction of a new garage that will replace the existing digester pumps and blower building. The facility will also house the Sanitary/Storm Sewer Jet Vac and the Biosolids loader.

The Biosolids Facility Upgrade project will be in 2018. We will be replacing the 25 year old Belt Press, Cement Tech, Polymer system, and Electrical controls.

The purchase of a new Sanitary/Storm Sewer Jet Vac vehicle.

Other Budget Notables

The Baraboo Sewer Rate would increase 5.4% (\$4.261 per 1,000 gallons) and the Outlying Service Area would decrease 4.3% (\$2.735 per 1,000 gallons).

The Utility will look into possible Rate Structure change. We have no base charge for sewer; there is a minimum usage set into the existing structure. The base charge would cover Debt

Service (theoretically if there was no flow from our customers, we would still need to cover our debt service.) Most other sewer utilities use this structure.

The Outlying area rate decrease is due to their ratio of increase flow and decreased expenses.

The Wastewater Treatment Plant (soon Water Resource Recovery Facility) did see a 2% increase in overall flows.

The Narrative for the 2018 Budget

General Description of the Debt Service:

Mission Statement – Debt Service Funds are used to account for the accumulation of resources for and the payment of, general long-term debt principle, interest and related costs. Revenue sources are from the levy and other funds such as TIF and enterprise funds which cover their share of the debt incurred for their specific projects.

Personnel – The Debt Service funds have no specific employees. The debt is managed by the Finance Director.

Vehicles and Major Equipment - none

Any Other Related Information –

The City's total indebtedness as of December 31, 2017 will be \$19,707,871 or 2.39% of Baraboo's equalized value of \$825,457,800 dollars. Cities are limited to debt capacity of 5% of the equalized value and Baraboo's debt is comfortably within the State imposed limit.

The City's debt service payments total \$3,145,384 of which \$1,505,693 is included in the tax levy. The remainder is paid by TIF Districts, the Utilities and Fund Balance. The debt portion of the City's tax rate is \$1.85 per \$1000 of valuation which accounts for 16.62% of the City's tax rate. Please refer to the debt service schedule of payments for 2018 and the Budget Hearing Notice for more information.

Short and Long Term Capital Needs:

A new borrowing is anticipated in 2018 in the amount of approximately \$2 million for streets and airport projects and \$630,000 for a line of credit.
